

Abstract Notification dated 8th November 1937.

The attention of the public is invited to the detailed notification regarding the sale of timber at Kadur Depôt to be held on 22nd December 1937, published on pages 1905-1906, Part VI of the *Mysore Gazette*, dated 18th November 1937.

M. A. MUTHANNA,
District Forest Officer.

CHITALDRUG DISTRICT.

Abstract Notification dated the 12th November 1937.

It is hereby notified for general information that the exclusive right of collecting and removal, up to 30th June 1939, of Thangadi and Kakke barks from all the Government unoccupied lands, etc., in Harihar Sub-Taluk of the Chitaldrug District will be resold at the District Headquarters by the Deputy Commissioner, Chitaldrug District, or the Senior Assistant Commissioner deputed by him, assisted by the District Forest Officer, Chitaldrug District, on the 6th December 1937, at the risk of the original purchaser, who has failed to furnish the required security, execute the necessary agreements with sureties and to take possession of the *bob*, as per terms of the relative sale Notification.

The resale will commence at 2 P.M.

For other particulars, please see Notification No. E. 223-810-36, dated the 19th April 1937 of the Chief Conservator of Forests in Mysore, published on pages 565-568 of Part VI of the *Mysore Gazette*, dated the 22nd April 1937.

A. V. KESAVIENGAR,
District Forest Officer.

ENGINEERING DEPARTMENT

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notice dated 19th November 1937.

The attention of the public is invited to the Notification calling for tenders for the work of Fixing Meters on house connections in Mysore, published in pages 1970-1971, Part VI of the *Mysore Gazette*, dated 25th November 1937.

The last date for receiving tenders is 15th December 1937.

N. KRISHNIENGAR,
Sanitary Engineer.

BUILDINGS DIVISION, BANGALORE.

Notification dated 27th November 1937.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Buildings Division, Bangalore up to 20th December 1937, 2-30 P.M., for constructing two blocks of quarters of 26 units in each block for City Police in the compound of old Police Lines near "A" Station, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1938.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Buildings Division between the hours of 11 A.M. and 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 2,400 only in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing two blocks of quarters of 26 units in each block for City Police in the compound of old Police Lines near 'A' Station, Bangalore," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than the estimated rate will not be accepted.

The attention of the public is invited to the Notification on pages 1920-1923, Part VI of the *Mysore Gazette*, dated 18th November 1937, inviting tenders for the work of restoring Kandahalli Hirenayakankere, Register No. 430-453 of Chintamani Taluk.

The last date fixed for the receipt of tender in this office is 12 noon on 6th December 1937.

R. TIPPAYYA,

Executive Engineer.

MYSORE DIVISION.

Abstract Notification, dated 14th November 1937.

The attention of the public is hereby invited to the advertisement published on pages 1971 to 1978, Part VI of the *Mysore Gazette*, dated 25th November 1937, calling for tenders for constructing the New District Office Building at Mandya.

The last date of receipt is 15th December 1937.

Abstract Notification, dated 17th November 1937.

The attention of the public is hereby invited to the advertisement published pages 1978-1980, Part VI of the *Mysore Gazette*, dated 25th November 1937, calling for tenders for constructing road bridges over the Virijauadi channel at 5-81, 6-82 and 1-83 miles of Bangalore-Nilgiri Road.

The last date of receipt is 20th December 1937.

B. KRISHNA RAO,

Executive Engineer.

OFFICE OF THE EXECUTIVE ENGINEER, C. P. S., SIVASAMUDRAM.

Notification dated 24th November 1937.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, C. P. S., Sivasamudram, for "Repairing the Breaches in Dhanagere Anicut", across River Cauvery.

2. The tenders will be opened in public at 2 P.M., on the 11th December 1937. The work should be completed within 1st June 1938.

3. The quantities given are approximate and the plans, detailed estimates may be seen at the Executive Engineer's Office, C. P. S., Sivasamudram, on all working days during the office working hours.

4. Tenders should be submitted on printed forms which may be obtained either from the Superintending Engineer, Bangalore, or the Executive Engineer, C. P. S., Sivasamudram. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

5. Each tender must be accompanied by a deposit of Rs. 2,500 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for Repairing the Breaches in Dhanagere Anicut", in default of which tenders will be rejected.

6. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer also reserves the right to accept or reject any portion of the tender.

7. Within 8 days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

8. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office, C. P. S., Sivasamudram, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of one of the tenders, the earnest money on rejected tenders will be refunded.

10. The collection work should be started within a week from the date of the notification of the acceptance and construction started as soon as the floods subsided.

11. Charges on account of scaffolding, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

12. Rates once tendered will not be enhanced on any account.

13. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

14. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Chief Electrical Engineer will be final and legally binding.

15. Specifications for works are those recognised by the Mysore Public Works Department and Marryot's specifications.

16. The contractor should be bound by the conditions of the schedule of contract of the Electrical Department.

17. Departmental supply of materials with 15 per cent Stock Incidental should be accepted by the contractor.

18. On Departmental Tools and Plant supplied, if any, the usual hire charges, will be levied.

19. The contractor is himself responsible for all royalty and tolls, if any payable.

Abstract estimate of the probable cost of "Repairing the Breaches in Dhanagere Anicut." The quantities are approximate. Rates to be quoted in figures and words.
